A MESSAGE FROM OUR LEADERSHIP

Dear Vendors, Sponsors, and Friends of St. John,

On behalf of the St. John Board of Realtors, thank you for attending the 2nd Annual St. John Home Expo. Guided by our motto:

YOUR HOME • YOUR LEGACY • YOUR ISLAND

We continue to strive to support and educate our community on buying and selling a home.

To our vendors and sponsors: thank you for giving your time, knowledge, and support. Our lenders, builders, inspectors, insurers, and community partners showed residents the many paths to buying, selling, building, and protecting a home in the Virgin Islands. Your commitment to our island is what makes this event possible, and it is helping make St. John a better place to call home.

To everyone who attends: thank you for joining us. Whether you are a first-time buyer, a seller planning your next step, or a homeowner protecting what you've built or own, your questions and enthusiasm are the heart of this Expo. We hope you leave with the knowledge and connections to move forward with confidence.

With Gratitude,

Keleigh Rees.

2026 President, St. John Board of Realtors
